Product Specification Sheet

Bluetooth Presenter For Mac
Part #: AMP11EU

Product Description:

The only wireless presenter dedicated to Mac users. Versatile and easy to use, the Targus for Mac Bluetooth Presenter does double duty as a presenter or cursor controller. The intuitive button layout won't distract from the task at hand and the cursor moves smoothly with a swipe of your finger thanks to 4-way Touch-scroll technology. Dual programmable buttons allow individual customisation for one-click access to selected functions or applications.

Product Features and Specifications:

- Mode Switch — Changes between presentation or mouse mode
- Optical Touch Scroll - provides 4-way scrolling and 360° scrolling for images, maps, etc.
- Bluetooth Wireless Connection – 10 meter range, no receiver required, uses the notebook's Bluetooth
- 2 Programmable buttons - for individual personalization
- Simple – forward / back, dark screen and laser button layout
